All TPRN Program Participants must adhere to the following guidelines:

I understand I can consume medications on the TPRN Program list of approved over-the-counter medications on a short-term basis not to exceed 7 days and that I must report use of those medications to my advocate as soon as is possible. I agree to abstain from consuming any cannabidiol containing product except as prescribed by my primary care physician. I agree to abstain from consuming any over-the-counter medications on a routine basis except as prescribed by my primary care physician or approved in advance by my TPRN advocate or the TPRN Program Director.
